ethical suppliers

I am very conscious about the environmental impact of making art and strive to use as environmentally friendly mediums and material as possible.

Here is a list of some wonderful ethical suppliers in the UK

Seawhites of Brighton - <https://www.seawhite.co.uk/>

Khadi - <https://khadi.com/>

Jacksons Art Supplies - <https://www.jacksonsart.com/>

Fred Aldous - <https://www.fredaldous.co.uk/>

Bedwyns Stamps - <https://www.bedwynstamps.com/>

English Stamp Company - <https://www.englishstamp.com/>

Eco Craft - <https://www.eco-craft.co.uk/>

There are also some wonderful vintage supplies to be found on Etsy and Ebay. Lots of my tools are vintage and some of my paints are over 30 years old! Once you start collecting things together you will be looking at everything in a completely different way wondering how you can use it.

Happy gathering. x
