She sells seashells by the seashore,  
The shells she sells are seashells, I'm sure.  
So if she sells seashells on the seashore,  
Then I'm sure she sells seashore shells.

"I don't have a favorite season.  
I have a favorite thing.  
It's the windows down, silent back roads with dirty feet feeling.  
It's when I can walk straight outside without pausing to fish out a jacket.  
It is curtains dancing around my room because of the cool breeze.  
It is sunsets after dessert and grass as my pillows.  
The sound of lawnmowers, of falling leaves, and rain against the window.  
Pockets of shade and walks along a gravel road.  
I don't have a favorite season.  
I have a favorite feeling."
